Seeking Dancers for New Choreographic Work Hi :) I'm an emerging choreographer developing a new piece and looking to work with 3 dedicated dancers. This is a very part-time project, with rehearsals held once a week or once every two weeks (schedule flexible and collaborative). I'm seeking dancers who are adaptable, open-minded, and ready to commit to the process and their roles. This is a great opportunity to build something meaningful together in an intimate and creatively-driven setting. If you're interested or want to learn more, I'd love to hear from you! Send headshot resume and reel to madelineranderson@yahoo.com :))
