ABOUT THE GRANT

Eryc Taylor Dance (ETD) proudly offers three \$1,000 grants to emerging choreographers based in New York or New Jersey. This opportunity is designed to support the development of original group works (15–20 minutes long), culminating in an informal studio showing in March 2026.

Panelists review applications and select grant recipients based on merit, dance experience, passion for choreography, and production innovation. This annual grant seeks to uplift bold, fresh choreographic voices ready to take the next step in their artistic journey.
