Hello Pilates instructors! Flying Squirrel Studios in the East Village is now hiring. We are a well established, boutique studio with longstanding awesome clientele that you will love. The neighborhood is vibrant, full of gardens and cafes and still offers that old NYC charm. Good vibes all around! If you are a motivated, detail oriented instructor looking to work in an intimate environment that promotes personal growth then we look forward to hearing from you.

You: Fully certified in all apparatus and able to teach group classes up to 5 people. Positive attitude, punctual and capable of carrying out extra tasks such as checking in clients and taking payments through MBO. Studio cleanliness and organization is also required.

Us: A warm, welcoming environment that gives you a lot of autonomy to explore your teaching style while providing all the essential equipment to teach a well rounded session to our clients.

For newer teachers, a mentoring relationship with the owner is also available to help navigate teaching cues, technique, class programming and client/teacher relationships.

Please understand we are a quality over quantity business model, so please be of the same mind and excited to jump in and elevate your teaching style!
