HEAL Palestine is a registered 501(c)(3) organization committed to providing urgent medical evacuation for severely injured children from Palestine to receive life-saving care in the U.S. Beyond emergency aid, we also support food relief, field hospitals, mental health services, and educational initiatives on the ground in Gaza.

We're excited to announce our upcoming NYC fundraiser: Write of Return – an evening of poetry, music, dance, and art featuring Palestinian creatives based in New York City. The event will take place on October 17th at The People's Forum in Brooklyn.

We're currently seeking Palestinian dancers to join us and share their work – whether it's a new piece, a past performance, or something improvised from the heart. This is a space to express, move, and create in community.

Write of Return is a grassroots, volunteer-led event. To ensure that 100% of the proceeds go directly to HEAL's critical work in Gaza, we're hoping this can be a collaborative, unpaid performance opportunity driven by shared purpose and solidarity.

If you're interested in participating, please send a one-minute clip of your dancing – whether it's the piece you'd like to present or an improvisation – to saraariel2017@gmail.com.

Let's move together, for healing and justice.
