Hi!

I'm shooting short narrative dance piece about childhood freedom and how adulthood creeps in to take it away. That's the idea at least!

2 days of rehearsal and 1 day of filming- approx. 6 hours total. Looking to rehearse in a studio in Manhattan this Wednesday/Thursday and Friday. Filming Saturday in the afternoon so we're not dancing in the blazing sun.

This is an unpaid opportunity. Only meal will be offered day of shoot.

If interested, please reach out to Darius Aushay, dariusushay@gmail.com
