HEREAFTER is the second production produced by Body Artifacts Performance Incubator. HEREAFTER will take place at [Substance Skatepark](#) on April 26th, 2026, 8 p.m.

Applications for interested choreographers are now open, and close September 25th. Body Artifacts seeks 2-3 choreographers to collaborate on HEREAFTER. Commissioned choreographers will produce new works, centered around one of the Parts described below.

In a time of political/social/environmental upheaval, it feels important to confront the future, and imagine how we might want to rebuild. This performance takes a three- part approach to this narrative arc; death, riot, and rebirth.

The application can be found on www.body-artifacts.com/upcoming. Please refer to [Application Information Document](#) for further details.
