We are hosting an event on Halloween called Zombie Tennis –a theatrically immersive, community-powered, dance-inspired experience that invites guests to play Red Ball Tennis, a slower, beginner-friendly version of the sport, while dressed as zombies, ghosts, and other reanimated icons of the court. We will be a part of the Halloween Ritual at Ideal Glass Studios in the Village.

For Zombie Tennis we incorporate horror-themed choreography - for our first event in August, we worked with Thriller NYC and this time we are going to incorporate Lady Gaga's Dead Dance and we are inviting dancers to join us.

The Zombie Tennis portion of the night will be Oct. 31 from 6-7PM at 8 West Street.
