processions performance lab is gearing up for Common Space 8 and we want to welcome you into our process!

OPEN TO ALL AGES AND MOVEMENT BACKGROUNDS! This movement workshop will explore postmodern movement, physical theatre, and... dancing with fruit in your mouth. :) We will be exploring characters, moving in ways that spark curiosity, and ultimately composing a dance/tableau together. BYOP/BYOF: Bring your own prop! Bring your own fruit!

Option to attend for just Figure Drawing (not participating in the workshop)! 2 hours to observe movement and draw from life. If this is your case, please select the option when prompted so we know your preference.

This is a fundraiser to pay our dancers/cover costs for our upcoming show! Give what feels right. Payment: sliding scale \$8-25. Option for cash at door. Venmo: @processperformancelab
