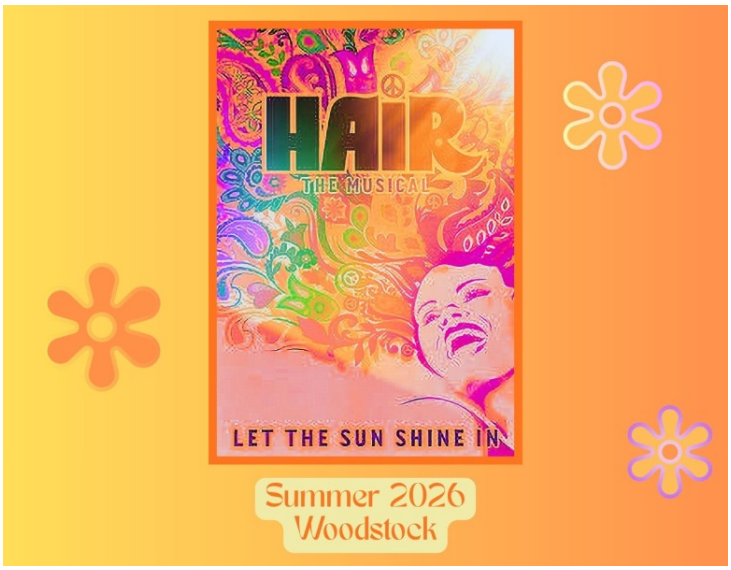
Choreographer - HAIR THE AMERICAN TRIBAL LOVE ROCK MUSICAL (Woodstock NY)

Company: The Tivoli Players and Gryphon Pictures
Location: Tivoli, NY
Compensation: $1500 Choreographer Fee (plus more if the show travels which is the grand plan)



Willo Hausman

I'm Willo Hausman, a local director living in the Hudson Valley area of NY since 2019 after decades working in the world of screen and stage in NYC and LA. My theater company, The Tivoli Players, is presenting a production of the classic American Tribal Love-Rock Musical HAIR. Woodstock Summer 2026. Book and Lyrics written by Gerome Ragni and James Rado. Music by Galt MacDermot.

Keeping true to the original spirit while adding a punk-rock-ish flair and a contemporary use of visuals and intent. The timing is spot on for this powerful anthem. The tribe unites!

Currently Seeking:

CHOREOGRAPHER

Looking for creative individuals who think out of the box. We will be delving into 60s style but mixing in an edgier tone. Aiming for something inventive. And to collaborate with a positive individual who is not daunted by challenges or new territory. Twyla Tharp vibes mixed with street dance and at the heart the hippie spirit moves too. The Choreographer will be working closely with the director and performers and coordinating rehearsals (which start in late April in Woodstock NY). There is preparation work beforehand. The role combines on-site tasks with the ability to work remotely as needed. The show is set to open July 9 at The Byrdcliffe Theater and run 3 weeks. Additional responsibilities include ensuring artistic alignment with the production's grand vision. Capacity to laugh and celebrate and brainstorm is essential! There is pay. And housing provided if needed.

ALSO SEEKING ACTORS, DANCERS, SINGERS, MUSICIANS

Auditions in January. Stipend included.
