EMERGING CHOREOGRAPHER SUBMISSIONS FOR SPRINGBOARD DANSE | PITTSBURGH

The Emerging Choreographer Program provides early to mid-career creators with a 27-hour residency during Springboard's 3-week summer project. During this residency, they generate a new work on Springboard dancers, which is presented through a works-in-progress showing alongside the repertory and creations of our Resident Choreographers and Principal Companies. We also provide 35 hours of additional studio space for independent creative research.
