Finleigh Zack Dance (FZD) is seeking individuals to join our Board as we enter an new period of growth and structural development.

FZD is a NYC and London based dance organisation rooted in movement, meet-ups, and mentorship, using dance as a tool to explore mental health, mindfulness, and collective experience. As we transition into our next phase, we are building a Board that can support our artistic vision while strengthening our sustainability and reach.

We are particularly interested in individuals with experience or insight in:

- Arts governance and charity leadership
- Finance, fundraising, or grant strategy
- Producing, touring, or international development
- Community engagement, wellbeing, or mental health advocacy
- Marketing, communications, or audience development

We welcome board members who are:

- Passionate about contemporary dance and socially engaged practice
- Excited to support an artist-led organisation
- Thoughtful, collaborative, and committed to care-led leadership
- Aligned with our values of accessibility, reflection, and community

This is a voluntary role, with a commitment of approximately 4 meetings per year, alongside occasional strategic support. We are especially keen to hear from people whose lived experience is often underrepresented in arts leadership.

To express interest, please contact Finleigh with a short statement about yourself and why you'd like to be involved, or reach out to schedule a time to chat.

We look forward to hearing from you!
