Choreographic Exchange: DUETS is a two week structured program for professional level dancers that are emerging choreographers. Participants take daily classes and workshops, choreograph a duet, and perform in two duets. Participants will engage in communal dinners, peer critique, and a field trip to the local towns.

Founded in 2020, Moulin/Belle is a space for artists and movers to slow down and reconnect with their raison d'être. Intended as an in-process art residency located in Mareuil en Perigord, Moulin/Belle is an approximately 200-year-old renovated house and converted mill, with a vegetable garden and multiple green spaces. Here artists are provided space to slow down and reconnect with themselves, their creativity, nature and the local community. Over 200 artists, collaborators and families have stayed with us since we opened in 2021, including artists from USA, France, Canada, Mexico, Japan, Belgium, Israel, England, Germany, Turkey, Ireland and more.
