Zoe Liebold

Hi!

I'm a professional web designer looking to help build a few websites for free to get the word out about my work!

We build custom industry-standard websites. As this is a free web design project, my wife and I have availability to take on about 6 volunteers where we will build you a website in exchange for a social media performative shoutout afterwards, so you can share your honest experience working with us while promoting your new website. This helps us get potential referrals :)

Website Examples:

<https://zoekliebold.com/>

<https://riccardopassera.com/>

<https://aryannaallen.com/>

<https://sarahchristineschmidt.com/>

<https://willayarza.com/>

Please shoot me a text or email with examples of your work and a good contact number to be considered.

Looking forward to connecting with you!

Best,
