An opportunity to showcase your work.

Emerging & established dance, theater, and performance artists are encouraged to apply. Application deadline March 16 - Performance date May 3

The Choreography Lab offers a platform to present your work in Steps Studio Theater to a live audience. The lab is offered twice a year and welcomes completed dance pieces including, but not limited to ballet, commercial, contemporary, fusion, hip hop, indigenous/ceremonial dance, jazz, modern, performance art, tap, theater dance, and world dance (specific to a culture and/or country such as Afro-Haitian, Indian, etc.).

Our goal is to present a diverse program representing a wide variety of dance styles and cultural expressions with the highest artistic merits from the submissions tendered. Each lab showcases 9-13 choreographers.

A post performance Q&A and an informal gathering with the audience follows each performance.
