Meredith Ventura

Step inside the artistic world of Selah Dance Collective and Novus Contemporary Ballet in this immersive two-week Summer Intensive and Performance Workshop. Designed for advanced and professional dancers, this program offers a rare opportunity to train, rehearse, and perform as part of a professional creation process led by Artistic Director Meredith Ventura and guest choreographer Chloé Roberts.

### Who Should Apply

This workshop is ideal for advanced and professional dancers who:

- Thrive in collaborative, process-driven environments
- Seek rigorous technical and creative training
- Want performance experience with a professional company
- Are interested in choreography, composition, or devised movement
- Are curious about Selah/Novus's movement language and artistic vision
