Compensation: Currently volunteer positions (paid roles pending grant funding)

[Breath Dance Project](#) is seeking contemporary dance artists to join us going into our third year as a company. If you are interested in being considered for our invite only audition, please submit requested materials to [this Google Form](#) by *Sunday, February 1 at 11:59PM*.

Our first-ever audition process features two steps, by the end of which we aim to select 3-5 new dancers to join the company. Prior dance experience is required. We look forward to getting to know you via your application materials.

- Step 1: Written/spoken application
- Step 2: In-person dance audition

As part of the application, we request that you submit a \$10 application fee along with your form. This is intended to offset the cost of space rental for auditions and will be returned to you if you are not asked to join the second step of the audition process. No one will be turned away for a lack of funds.

Please note that our in-person audition will be held on Sunday, February 22nd from 1-4PM and there will be no makeup date! Location to be sent upon invitation to the in-person portion of the audition process.

Rehearsals tend to be Thursdays and/or Saturdays semi-regularly, working around each others schedules.
