Morgan Shortell

Hello Movers,

[Dancify That](#) is looking for contestants. All dance styles, all body types, all everything. One caveat: this is a comedy dance show that is strongly improvisational.

I'm a firm believer that everyone can be funny just by being bold and going for it, so this show is for "everyone" but if you are shy and only like to dance when you can perfectly execute choreography, it's likely not your cup of tea (though you should come and watch!)

If you have fun dancing, you are a good fit. Below is show description, and don't hesitate to get in touch if you are even slightly interested.

Thanks! (dancifythat@gmail.com)

Show: 7/13 @ 8pm

Reh: 7/10 @8-9:30pm

\$100 Prize for winning team.

Dancify That is a dance game show in which fearless dance duos compete in creating graceful and flailing dance inspired by hilarious, obnoxious and embarrassing internet videos. After making and performing the dance, our teams face judgement from some of the hottest comedians the city has to offer. With aerobics, burlesque and a sing-a-long Dancify That will entertain your chassesz off.
