New Dance Alliance is pleased to announce the lineup for the 32nd annual Performance Mix Festival. "The most elaborate festival of the unpredictable" (The New York Times), the 2018 edition brings together more than 30 artists with diverse approaches to performance, inviting audiences to engage with the unexpected and to experience some of the newest voices in experimental dance. This year's festival also includes Performance Mix's annual community breakfast, a free movement workshop, and other special events. The festival runs June 7–10, 2018, at The Performance Project at University Settlement. Performance Mix is curated by New Dance Alliance Founder and Director Karen Bernard.
