Company: Pantos Project Dance  
Venue: Pantos Project Dance Studio  
Location: Waltham, MA

► [Share](#) | [Print](#) | [Download](#)

Session A || July 7-10

Session B || July 14-17

10:00a-4:30p // AGES 15+

This program will push dancers creatively and technically in a professional, safe environment. Geared towards advanced dancers ages 15-22, the intensive provides vigorous training in a nurturing environment with professional company members and educators in the field of dance.

Daily technique classes will be led by Pantos, company dancers and guest teachers seamlessly merging commercial and concert dance. Classes include ballet, contemporary, partnering, improvisation, jazz, pilates, yoga and modern; both Graham and Horton technique. In addition to technique classes, senior company members will provide dancers with college and career preparation in small group discussions.

As educators, we understand the importance of adaptive movers in the dance field and encourage versatility. With our full company participating in the intensive alongside our SI students, we are confident dancers will feel supported, encouraged, and inspired.

Dancers 13+ who attend summer programming will be considered for PPD's MOVER program, our youth training company. The MOVER program is by invitation only.
