WHITE WAVE DANCE

WHITE WAVE DANCE presents the 9th Annual SoloDuo Dance Festival on Thursday, February 13, 2025 at 7:30PM and Friday, February 14, 2025 at 7PM & 9PM at Dixon Place, 161A Chrystie St., New York, NY.

The Festival, established in 2016 by WHITE WAVE's Artistic Director, Young Soon Kim, showcases 33 exceptional dancemakers from the New York Metro area and across the United States, alongside international performers from Korea, Japan, China, Israel, Italy, the Netherlands, England, Switzerland, and Germany. These artists were carefully selected by a distinguished panel of presenters and dance professionals.

The program celebrates the unique art of the solo and duet—formats often favored by early-stage choreographers as their companies begin to find their paths within the dance world. The Festival creates new opportunities to display the latest work of both emerging and mid-career choreographers, offering vivid experiences for audiences with the goal of discovering and nurturing young talent. Dixon Place exemplifies a one-of-a-kind intimate venue that is particularly well-suited to showcase the artistry of solo and duet performances.
