Triskelion Arts is pleased to foster the expanding dance-on-camera art form with its 4th annual dance film festival this Fall. Highlighting the complex relationship between choreographer and filmmaker, the festival celebrates national and international dance-based films that stretch the boundaries of what would be possible on the stage. Experience site-specific visual escapades as well as character-driven narratives in this exclusive two-night event. This year's festival features four distinct programs and 25 original films.
