Have you always looked for the right opportunity to explore the foundations of a new generation of contemporary dance? Do you want the opportunity to learn to stop, and move calmly on the first moments of floorwork?

This is a unique opportunity to understand this necessary calm, and the concepts on which it is based. Here you can develop your artistry with the new generation of contemporary dance.

Six classes with one of the most sought out teachers of the contemporary dance scene in New York City. You will work with [Enzo Celli](#), the Artistic Director of [VIVO Ballet](#).

This time do not think it's too difficult for you, give yourself this opportunity and you will thank yourself.
