[Activate Equity](#) brings together artists, activists, administrators, and educators who seek to disrupt the racial and social inequities in the arts & culture sector through creative solutions. The Field organizes this annual symposium in order to *connect* and to *amplify* those who are doing the work.

Don't miss keynote speaker Lisa Dent (director of cultural production at Powerhouse Workshop), plus interactive workshops with "artists" Kiyan Williams (*Securing the Bag: Economic Justice and Equitable Pay in the Art World*), Mana Hashimoto (*Dance Without Sight*), Andre Dimapilis (*Kapwa Kouncil: decolonizing the plenary session*), and other special guests scheduled for Activate Equity 2019.

[Free/sliding scale registration includes access to the full day of activities, including lunch.](#)
