TEACHER BIO

Anthony "AntBoogie" Rue II is the founder and leader of one of the most commercially successful dance groups, The Amount Boyz. After training at the National Dance Institute throughout his elementary years Anthony then moved on to attend New York City's acclaimed "Fame" school, Fiorello Laguardia High School of the Performing Arts. While training and excelling in classically trained dance, exposure to funk and soul classics and the rise of Hip-Hop music and the dance had a profound influence on him, and was ultimately where his passion for the art form lay. After founding the Amount Boyz with best friend Adrian Wiltshire and a group of other close friends, it was not long before he was combining the technique and precision he had gained in his years of classical study, with the new emerging style of Hip-Hop dance taking hold of youth throughout the inner city. A combination of his natural ability, learned skill, and determination gained Anthony Rue II aka AntBoogie and the rest of the Amount Boyz recognition from the dance world and commercial industry as a whole. Some of his credits include working with Madonna, Jay-Z, P.Diddy, Omarion, Alicia Keys, Mario, 3LW, and Ryan Leslie. He has also worked on the movies Honey, Dream Girls, Walk Hard, and Notorious B.I.G. AntBoogie has been teaching since 2000. In 2012 he launched Urban Dance League (UDL), a professional sports league of organized street-dance competitions, classes, and showcases. UDL presents professional dancing in the same arena as the professional sports and athletic world.
