About Amanda Selwyn Dance Theatre/ Notes in Motion

Amanda Selwyn Dance Theatre/Notes in Motion presents dynamic dance theatre productions that activate emotional expression. Through an interplay of athletic and articulate motion, we present theatrical and immediate works that engage audiences from start to finish and beckon a response of thought, feeling, and soul. Our education program, Notes in Motion, brings inclusive dance programs to the NYC Public Schools in styles including modern, ballet, tap, jazz, hip hop, Latin, African, and more. Programs are united by our singular approach to dance education, The Movement Exchange Method, which combines technical instruction with creative skill-building and collaborative learning. We aim to provide access to the art form of dance to inspire the next generation of dance appreciators.

Amanda Selwyn Dance Theatre/Notes in Motion programs are made possible by the New York State Council on the Arts with the support of the Office of the Governor and the New York State Legislature. The company is supported, in part, by public funds from the New York City Department of Cultural Affairs in partnership with the City Council.
