Join us on Friday, September 23, as we welcome GRAMMY-winning American jazz drummer and Queens native Lenny White for an exciting evening of jazz fusion at 8PM EST.

The performance will feature White's original compositions and deliver a beautiful, surprising, and daring tribute to the late virtuoso Chick Corea- a 23-time GRAMMY-winner, DownBeat Hall of Famer, and NEA Jazz Master beloved by Flushing Town Hall audiences and jazz fans around the world.

White will be joined by Tom Guarna (guitar), Quinton Zoto (guitar), Richie Goods (bass), and Vince Evans (piano and synthesizers).

"I first became aware of Lenny White when he played with my uncle, the great Bill Withers," says Flushing Town Hall Jazz Producer Clyde Bullard. "So I am personally very honored and excited to finally be able to present an evening of music with Lenny White & Friends at Flushing Town Hall-the jazz capital of Queens! This is a one-of-a-kind musical event not to be missed."
