PERFORMANCE

The evening opens with Replica, a striking optical illusion set to a pulsing EDM score that illustrates finding the value of an original in a culture of imitation vs reality.

Chromatic Skies brings a dramatic luminescent art installation and glass tutus to transport the audience on a grand scale to an electric realm of possibility featuring a neoclassical score.

Two Steps Backwards closes the evening with sheer talent and exhilarating energy featuring infectious EDM music and phosphorescent designed costumes.

and silent auction at The Delancey private rooftop in support of our #feedtheballerinas campaign. Bright fall colors and Havana chic attire encourage. Cocktails and appetizers will be available for purchase.
