Eve Cuyen

Alexander Technique/Ballet Barre: Using the principles of the Alexander technique as well as ideas from Dart and developmental movement, we do ballet barre and a short floor combination. Class is open to dancers of all levels of training, from the complete novice to the professional, and is tailored to the students' interests and abilities. Learn to find line, strength and flexibility. Enjoy the the beauty of classical ballet without pain! A delightful and powerful exploration of ballet technique. \$15
