The Bang Group is a contemporary theatrical dance troupe which is devoted to choreographer David Parker's fascination with the rhythmic potential of the dancing body.

"Arts On Site began presenting artists in 2016 at 12 Saint Marks Place," said Chelsea Ainsworth, Executive Director of Arts On Site. "After 350 shows throughout the pandemic, AOS decided to build out a new performance space, Studio 3R, in May 2021 and began presenting artists in June. The space includes installing new black curtains, professional lighting, marley floor and risers for audience seating. We are so pleased to offer artists an intimate, professional, new performance space in NYC."

THE BANG GROUP is a contemporary theatrical dance troupe which is devoted to choreographer David Parker's fascination with the rhythmic potential of the dancing body. At the center of his work is an abiding love of rhythmic form and the intensity of communication it allows between audiences and performers. Among his best known works are the 21st century neo-vaudeville Nutcracker entitled Nut/Cracked as well as ShowDown, a choreographic reinvention of Annie Get Your Gun for cabaret and concert stages, and a series of male duets ranging from Slapstuck for two velcro-clad gentlemen, to Bang and Suck, Friends of Dorothy, The Missing Reel and Old Fashioned Wedding. These dances were created for Jeffrey Kazin and David Parker who now direct the company together building a choreographic dialogue between show business, classical and contemporary dance traditions. Their most recent work, the evening-length Mistery and Sisters is an unadulterated song-and-dance cabaret which achieved instant critical acclaim at its premier run at Joe's Pub at the Public Theater.

About Arts on Site

Arts On Site is a women-led nonprofit arts organization dedicated to providing artists with opportunities to create and perform new work. Arts On Site began as an event to showcase artists. The event was an initiative from professional artists Chelsea Ainsworth, Kyle Netzeband, and Adrian Rosas, to connect artists from multiple art forms. As the event grew, a diverse community of artists grew and the concept for Arts On Site was born. For more information, visit artsonsite.org.
