Rambert School, world-leading & historic London conservatoire, returns to Los Angeles next February for a day of auditions & workshops at USC Gloria Kaufman International Dance Center.

There are two options for participations on the day:

AUDITIONS are open to young dancers who want to progress their professional dance training in the UK, on the internationally regarded undergraduate FD/BA Honours Degree in Ballet & Contemporary Dance (validated by the University of Kent). Successful candidates will join the School in September 2019 and will make up the 'Centenary Cohort', as the School celebrates its first 100 years in 2020.

WORKSHOPS are open to aspiring young dancers, aged 14-19 years, who are considering their next steps in dance training and who might be interested in auditioning for one of the School's training programmes in the future. Participants will gain an insight in to the School in a unique workshop led by Amanda Britton, Principal & Artistic Director, herself an alumnus of the School and of Rambert company.

Full information can be found on the Rambert School website.
