Compilation by Robert Henderson

After a year of meaningful and inspiring racial equity sessions led by our BREAD Facilitators in 2021, we are deepening our BREAD experience by engaging a cohort of individuals who are actively working to build racial equity within their dance world(s) through research, performance, advocacy, education and policy making.

If you are interested, we have meeting about the program and Q&A on March 15 at 6:30 pm – 7:30 pm EST.

[Click here](#) for a full description of our BREAD Cohort application process and requirements.

Each session will start at Noon to 2 pm on the designated dates.

March 26 and March 29 are the first sessions meaning that you will only go to one of the two dates.

Please forward this message to members in your network who may be interested in applying to the BREAD 2022 Spring Cohort.
