BALANCE ARTS FUNDAMENTALS IN FLOW

Establish a calm, gentle, and balanced alignment on your back through your breath and spatial awareness, and then explore fundamental movements from that deepened mindful state. Spend time on your front, all fours, and then intentionally move to standing. Practice your balance and weight mobilization. Utilize your new understandings and insights in practical application and movement games. The class is taught through the Alexander Technique lens that provides you with a learning process for change and development.

Balance Arts Center 151 W 30th St 3rd Fl New York, NY, 10001 646-812-5390 https://balancearts.as.me/?appointmentType=8289173 Schedule September 9, 2019: 5:00pm September 12, 2019: 10:00am September 16, 2019: 5:00pm September 19, 2019: 10:00am September 23, 2019: 5:00pm more
