"Our mission to provide world class dance training and art making for dancers of all ages is deeply intertwined with our passion for lifting up our students and artists. We work to support the development of life skills: the ability to access joy, own and express one's individual voice, tackle decision-making, thrive in teamwork, and truly understand hard work and its rewards. This year, the pandemic illuminated our work's vitality more brightly than ever before. We look forward to welcoming our students back to classes and providing space for them to freely express, explore, and dance their way through the residual effects felt by all of us as we continue to discover our new normal together."
