#### Ballet Intensive

July 20th - July 31st

Ages 9 - 18 | M-F ~ 9:30am - 3:30pm

Roxey Ballet Company's official school, The Mill Ballet School provides dance intensives all summer long! The ballet intensive is for students who are committed to improving their dance technique. During the two week intensive students will build on their understanding of technique through detailed instruction and the breakdown of steps. PBT (progressing ballet technique) and dance conditioning will be the start of the students' day helping them find and feel the muscles needed for proper execution of ballet and contemporary dance technique. Ballet technique, pre-pointe or pointe as well as contemporary ballet, modern, jazz, and classical variations will be part of each student's daily schedule. The goal of the intensive is to provide each student the tools and knowledge to go to their "next level" of training.

Tuition: \$850 (after April 1st) and a registration fee of \$30

The intensive will be held in person in small groups, in first-come first-served basis. However, we do offer the possibility to attend the workshop virtually online too!
