At BalletNext the search for innovation trumps convention. In 2011, Michele Wiles, one of New York's most acclaimed dancers founded the company with the vision to provide a platform for leading dancers, choreographers, and musicians. As a result, new work is produced and performed in an environment that promotes experimentation, creative problem solving, and a focus on process. The June 9th performance will feature 5 pieces, 2 of which are world premieres at Kaatsbaan.
