The Barly Method presents Barly Method Stretch!

I've been a contortionist for just about all my life, bending, twisting and extending in all different directions! I'm happy to have been able to share some great tips and tricks to getting others more flexibility! Come out Friday, February 28th, 2020 at 7pm for an hour and a half of pure stretching! LETS GET FLEXY!

Love,

Barly
