House is a feeling. In this beginner House Dance workshop, you will learn to feel the music, developing a connection between your movements, the melody and the rhythm. Following a brief warmup, we will break down the fundamentals of House dance: Skating, Heel Toe, Shuffle, Stomping, The Swirl, The Train; basic steps that you can take right to the dance floor. Students will then be taught a short routine that stitches it all together. As Huu always says in his classes, "the goal is to have fun, don't worry about getting it right, just find yourself in the music."
