Ben Munisteri's eight-member dance group performs four dances that reference a torrent of natural phenomena through formal design.

Set to a harmonious score by composer Derek Muro, *Tin (50)* (2017) refers obliquely to the utility of the 50th element in the periodic chart, and *Plexus* (premiere) offers convoluted, interdependent patterns among five dancers. *Permafrost* (premiere), danced to Satie piano pieces, melts compositionally as well as emotionally, and *Petrichor* (2015) celebrates a freshness derived from only a handful of dance phrases, manipulated and edited into a whole.
