Martha Eddy, CMA, RSMT, EdD, was among the first to teach a somatic approach to dance beginning in the 1980s. BodyMind Dancing grows out of Dynamic Embodiment- her form of Somatic Movement Education and Therapy, combining knowledge from her direct studies with Irmgard Bartenieff (Laban/Bartenieff Movement Studies) and Bonnie Bainbridge Cohen (Body-Mind Centering<sup>®</sup>). She has recently published Mindful Movement - The Evolution of the Somatic Arts and Conscious Action which speaks to somatic approaches to dance, health, education and social justice.
