Evocative choreographer Bobbi Jene Smith will present her latest work, Broken Theater. Created within the walls of La MaMa, Broken Theater melds live dance, theater, music, and cinematic beauty. Eleven artists meet in a ghost theater where they grapple with love, humiliation, and loss at the cost of each other. It asks: When the script has disappeared, when the audience is gone, where are the lines between the part you play and the person you are?

La MaMa Experimental Theatre Club
66 East 4th Street 2nd Floor
New York, NY, 10003
