Happening Saturday, July 19th, Mason Lee Dance Theater (MLDT) will be hosting COMMUNITY DAYZ: July Session. COMMUNITY DAYZ is a summer class series that aims to combat the rising class prices and the declining quality of classes that are happening in the NYC dance scene.

Once a month, MLDT will host a variety of dance instructors to teach classes. Classes will be in 2-hour blocks, which will include time to warm up, class, cool down, and transition time. Classes will be priced at \$15 per class. (If you volunteer at this event, you'll be able to take a class you want for free!) Classes will be at Mark Morris Dance Center.

July's Schedule is below.

Aurora Vaughan (9a - 11a; Floorwork)

Sasha Gologorskaya (11a - 1p)

Lili Tewes (1p - 3p; Graham)

Gabe Katz (3p - 5p; Contemporary)
