CYNTHIA HOPKINS: LEARN A SONG OF RESISTANCE

Company: New York Live Arts
 Venue: New York Live Arts Lobby
 Location: New York, NY

► [Share](#) | [Print](#) | [Download](#)

Throughout human history, communal singing has served as a source of both solace and empowerment for societies in crisis. Voices raised together in song can energize and propel through uplifting expressions of solidarity and resistance. Drawing on legacies of protest songs that have fueled social justice movements of the past, singer/songwriter and performance artist Cynthia Hopkins invites everyone to learn a new song of resistance against current threats to human rights.
