Photo: Richard Termine

Be the first to see Caleb Teicher's performance-presentation exploring the range of relationships that take place in theaters between artists and audiences. Guest performers fill in the blanks in a script by writer Michael Benjamin Washington, with visuals by interdisciplinary artist Ameya Marie Okamoto.

This Is The Part When You Go Woo was developed in Works & Process LaunchPAD residencies at Bridge Street Theatre (2023) and ArtYard (2024).
