Join our Company Class for advanced dancers. With an emphasis on center-driven movement, nuanced weight transfer, breath phrasing, intention, focus and performance, the class expands the dancers' technical, dramatic and artistic range.

Dorfman believes artistry is built on specificity and detail. In addition, Dorfman's classes explore the essence of solo and ensemble performance; the individual existing in relation. Technique class includes phrases from company repertory.

Classes will be taught by Rehearsal Director and company member Katlyn Waldo.
