Cats: "The Jellicle Ball" is a radical reimagining of Andrew Lloyd Webber's iconic dance musical based on T. S. Eliot's *Old Possum's Book of Practical Cats*. It's now inspired by the Ballroom culture that roared out of New York City over 50 years ago and still rages around the world. Staged as a spectacularly immersive competition by Zhailon Livingston and PAC NYC Artistic Director Bill Rauch, *Cats: "The Jellicle Ball"* now has all new Ballroom and club beats, runway ready choreography, and an edgy eleganza makeover that moves the action from junkyard to catwalk. Come one, come all, and celebrate the joyous transformation of self at the heart of *Cats* and Ballroom culture itself.
