Rosalie O'Connor

Join the artists of New York City Ballet in these movement workshops designed especially for children with physical disabilities and movement challenges.

During these one-hour movement workshops, NYCB Dancers will guide young movers of all abilities in a ballet-based warm-up and choreography inspired by some of the ballets being performed through the season. Children will be partnered with volunteer medical/PT/OT students who will provide support during the event, and modifications, including standing and seated movement options, will be offered.

Intended for children with Cerebral Palsy, Dystonia, Spina Bifida, SMA, and other physical disabilities. No prior dance experience is necessary and siblings are encouraged to participate.

TICKET PRICING

\$8 per participating child. If ticket price is a barrier, please do not hesitate to contact us at education@nycballet.com. Please note that accompanying family members/caretakers do not need a ticket to attend.

ATTIRE

Clothing that is comfortable to move in. Ballet shoes, sneakers, socks are optional.
