NOW ONLINE!
Registration open until June 8, 2020

PROGRAM HIGHLIGHTS

Virtual ChoreoLaB hones both artistic skills and professional excellence through a holistic program, which shapes hirable, competitive in-demand dancers ready to advance their careers. Dancers can face challenges getting hired if they lack the business skills to communicate professionally with artistic directors or create supporting application materials that best demonstrate their artistic strengths.

In our Virtual ChoreoLaB program, dancers will have the opportunity to work with the company dancers, learn excerpts of BH repertory, participate in a mock audition with feedback from Ballet Hispánico's artistic team, attend virtual Q&A sessions and networking events, work with guest choreographers and artists, as well as be part of a virtual showing.

Participants may register for one week or the full two weeks. If only signing up for one week, participants must register for the first week of the program.
