"Ribald and entertaining! Clinton The Musical is every bit as outrageous as you might think."

- The National Review

President William Jefferson Clinton could seem like two different people: one moment noble, the next naughty. And the truth is...he was! Clinton The Musical explores the two very different sides of the 42nd President of the United States: "WJ," the wholesome, intelligent one, and "Billy," the randy, charming one. With Hillary (Rodham) Clinton at their side, the two will handle issues from The White House to

Whitewater, the sax to the sex, social security to social climbers, and in the process make history. Maybe.

You cannot miss this Hillary-ous new musical and outrageous double Bill!
