About Venn

Venn's mission is to help you enjoy city life with more space, more human connection, and more impact through shared living spaces. When you live in a Venn shared apartment, you are empowered to shape your own reality, your future, and the neighborhood.

With Venn, you have access to a network of spaces around the neighborhood. There is an event program, but also plenty of opportunities for you to create your own thing.

For more information, contact a live@venn.city
