Join us for one night only, for a night of joy, artistry and pure inspiration. Team Call For A Cure hopes that you will support them in their Leukemia & Lymphoma Society's Student Visionaries of the Year Campaign. All proceeds from this event will go to LLS so they can continue their mission of building a future without blood cancers. Performances by Broadway Dance Center's AIM Company, Niki Saludez, Katie Drablos, Meloye Redding, and Call for A Cure Team Members.

Come support this group of talented, compassionate, and caring artists. Let's show people everywhere what it really means to be a part of the dance community in the Greatest City in the World.
